

Trusted **Probate** Solutions

The "Service Hub" wheel below shows just some of the many solution providers we can connect you with to make the probate process as smooth as possible.

"Our single focus is providing families with value services and easy access to necessary resources during life transitions."

Let our network of experts take the wheel and deliver you results based on your timeline.

Other than an attorney, your most valuable resource will be a real estate team that is **trained & experienced** in handling the intricate details of probate & inherited property sales. We will help ensure that nothing falls through the cracks.

FIVE SIMPLE STEPS:

- 1 Strategize the best plan of action
- 2 Schedule your solution providers
- 3 Organize your personal property
- 4 Prepare the home for sale
- 5 Market and sell the home
